Essential III Phono - integrating convenience

Essential III Phono takes all advantages of the regular version Essential III and adds line level output! Delivering audiophile sonics in a convenient package, easy to install into any hifi system and to hook up to an already existing amplifier in your living or listening room. It comes with the same audiophile components as the standard version, such as the diamond-cut aluminum drive pulley, the resonance-optimized MDF main platter and MDF chassis. The refined, high-precision platter bearing has significantly lower tolerances than Essential II. Equipped with the high-quality pickup OM10 by the phonographic cartridge pioneer Ortofon, *Essential III Phono* delivers lively, balanced and highly involving sound that will delight every vinyl lover.

Essential III Phono comes in the aesthetic high-gloss colors black, red and white.

All following turntables will share the same class-leading features such as:

High quality cartridge Ortofon OM10

⇒ *Accurate tracking*

Top notch pulley made from aluminium

⇒ *Precise power transmission*

Built-in DC-powered motor control

⇒ *Ultimate speed stability with minimized speed drift*

Main platter bearing with low tolerances

⇒ *Reduced rumble, reduced wow & flutter*

Plinth / platter made of MDF

Superior felt mat

⇒ *Outstanding contact between record & platter*

Classy high gloss finish in 3 colors

⇒ *Exclusive looks*

High quality connection cable: Connect it E
