DALI HELICON 400 LE 25<sup>th</sup>

## 25 Years of Excellence

To celebrate it's 25<sup>th</sup> anniversary, DALI proudly introduces a Limited Edition of HELICON 400 MK2. Finished in a stunning high gloss real piano black, the cabinets are lacquered and polished after each coat for enhanced depth and sheen to rival the world's finest pianos.

The Limited Edition speakers prominently feature a golden logo badge on the front and a golden Limited Edition nameplate on the rear panel of each unique set of speakers.

DALI HELICON 400 LE 25<sup>th</sup> Anniversary Limited Edition features a proprietary DALI Hybrid Tweeter Module, combining a ribbon and a low-mass soft dome, and two high performance 6½" mid/woofers with Class A magnet systems. Internally, the crossover incorporates select audiophile grade components in common with DALI's state of the art EUPHONIA Series. The speaker is fitted with dual sets of high quality vice-grip screw terminals for bi-wiring/bi-amping. To maximize musical capabilities, all components are optimized for minimal electrical and mechanical loss.
