ORION MC170

SOUND EXCELLENCY IN LOW FREQUENCY

With Orion MC170, the low frequency effects share with the main channels the same dynamic range and control. The 360° down-firing port simplifies discreet positioning in room.

ORION MC170

DOWN FIRING 360° VERTICAL PORT

Orion MC170 Subwoofer is fitted with a vertical port, down-firing and radiating over 360° near floor level.

This sophisticated technical solution eases speaker positioning, brings purer and deeper low-frequencies for sonic experience that is always lively and dynamic.

SPECIFICATIONS
